

AT THE **INTERESTED PERSON'S** REQUEST

Salud Clasico policy

CERTIFIES:

1. That Mr(s).
with I.D. **holds the Travel Assistance Service provided by SURA under Salud Clasico policy No.**
for a maximum consecutive travel period of 60 days as of their
Departure date: _____ Return date: _____
Country of residence: _____
Travel destination: _____
2. That, the maximum amount provided for medical assistance services in the event of a medical emergency* or urgency* **arising from an accident or serious illness** is up to **USD\$ 50,000** or an equivalent amount in euros. So long as the reason for assistant is not a **prior or excluded condition** under the underlying health policy.
3. That, the maximum amount provided for medical assistance services in the event of a medical emergency or urgency arising **from an accident or illness prior to travel** is up to **USD\$ 25,000** or its equivalent amount in euros. So long as the reason for assistant is not a **prior or excluded condition** under the underlying health policy.
4. That, to access these services, the user must have **prior authorization** by calling or contacting the channels defined by SURA prior to embarking on any medical assistance initiative or committing to any payment. Otherwise, the event will be considered a self-assistance and no reimbursements will proceed, except in the event of a medical emergency where the person's life is at risk.

Services include:

5. **Hotel expenses for convalescence or isolation (includes covid-19)**, for up to **USD\$ 1,300**, and including the hotel and food services.
6. **Health and funeral repatriation costs** for up to **USD\$ 50,000**, or the equivalent amount in euros, over and above the ceilings defined for SURA Travel Assistance (in collective policies, so long as the policyholder has taken out that coverage).

- 7. Extreme sports:** coverage for in or outpatient treatments, when they arise exclusively from the performance of these sports for recreation and in locations expressly intended for that purpose. SURA Travel Assistance, with prior authorization, will assume costs of up to **USD\$ 10,000**. Any excess costs will be the responsibility of the insured person, and will not be entitled to reimbursement under the health policy.
- 8. Outpatient medication.** Up to **USD\$ 3,000** via reimbursement.
- 9. Emergency dentistry, limited to pain management and/or tooth extraction.** Up to **USD\$ 1,500** with a limit of USD\$ 600 per piece. The insured person will be responsible for any excess costs.
- 10. Pregnancy complications arising up to week 32:** up to **USD\$ 7,000**. The insured person will be responsible for any excess costs.
- 11. Psychiatric hospitalization resulting from acute crises:** up to **USD\$ 12,000**. The insured person will be responsible for any excess costs.
- 12.** That SURA's services are not a medical insurance policy, nor an extension or replacement for social security, risk assurance or workplace accident programs, nor a requirement for visas to be issued. **The services provided by SURA will be exclusively related to travel assistance for sudden, unforeseeable medical and clinical travel events** that prevent normal travel from continuing.
- 13. That the policyholder and/or the insured person have accepted the general conditions** of their health insurance policy.

This certificate is only valid if the abovementioned policyholder and/or insured person currently hold a non-expired SURA Health Insurance Policy.

This certificate has been issued according to information supplied by the client.
All information will be verified whenever assistance is requested.

The General Conditions of SURA's travel assistance services can be found on SURA's website segurossura.com.co.

Before going to a medical entity, remember to contact SURA Travel Assistance for your medical assistant to be authorized.
